THROAT REST

You can cough yourself into bronchitis, pneumonia, and consumption. Bandaging and bundling your throat will do no good.

You must give your throat and lungs rest and allow the cough wounds to heal. There is nothing so bad for a cough as coughing. Stop it by using

Ayer's Cherry Pectoral

Even the cough of early consumption is cured. And, later on, when the disease is firmly fixed, you can bring rest and comfort in every case. A 25 cent bottle will cure new coughs and colds; the 50 cent size is better for settled coughs of bronchitis and weak lungs; the one dollar size is more economical for chronic cases and consumption. It's the size you should keep on hand.

"At-one-ment."

By NAT WARD FITZ-GERALD, "Foot of the Alleghenies."

When to ourselves we realize, That likenesses, we be Of God, it opens PARADISE, And makes us, wholly FREE.

'Tis thus, we close the door, on DEATH, In LIFE, henceforth abide; Partake of its "Immortal" breath, While JOYS, ere be, betide.

Then! Death and Sin no more abound, To TRUTH, have given place; In whose pure realm, is ever found, That, which uplifts the race— Of man! from paths of Sin and woe, To LIFE and LOVE and TRUTH, Which from "Christ-Triumph" doth ever flow, In radiance pure and bright.

THE UNIVERSAL including MAN! IMMORTAL PERFECT WHOLE Reveals to thought, the wondrous plan OF GOD! PERFECTNESS, SOULS— Which banishes the "Mortal Sense" That sways the man of "Clod," And gives instead, the Joy intense, AT-ONE-MENT, TRUE, WITH GOD.
